

The Evolution of Lease Administration Software

How many locations do we have? Are we on top of expiry and other critical dates? How much rent do we pay? Will we be able to meet the new lease accounting reporting requirements?...

Pre-1980's

Response time: don't hold your breath.

Recent History (1980 – 2012)

Response time: 1 week to 1 month

TODAY'S REALITY. ANSWERS AT YOUR FINGERTIPS.

- ✓ Customizable Dashboards
- ✓ Lightning-quick access to location, lease, contact, and document details
- ✓ High level overview of upcoming critical dates
- ✓ Maps with embedded location information – all available at a click from your desk-top computer or mobile device while on the road
- ✓ Advanced, customizable reporting delivered to your inbox automatically

YOUR Lease Administration. YOUR Way.

We are not limited to a one-size-fits-all solution. Software options need to meet your needs and we're happy to work with you on your legacy system or assist your company in selecting and converting to a new solution. The following are some of the software options we use in providing lease administration expertise to our clients.
